Badge Work

My Family in Lockdown

Project: To produce a video from pictures you have taken of yourself and your family during Lockdown. Add you and your family, if willing, singing "Ging Gang Goolie" on the video.

We have a couple of examples on our website that your Leaders have done. Make sure you check them out on 1stnewton.org.uk then click on Activities/Cubs/.....

The App we have used to make the video is "Film Maker Pro" from the App Store/Play Store and is free to use.

We are going to have an Online Cub Meeting on Friday 24th April 2020.

Each Cub that completes this Project will earn 3 Badges to put on their Cub Jumper.

We will need parents/carers to participate in this project as your child will need some help. If you have any queries about using the App (we will discuss this in the Online Cub Meeting) just message us.

This can be a fun project the whole family can get involved in.
